- 5. Community Partnership for Health & Wellbeing in South Petherton**

The Parish Council has used its General Power of Competence to address a whole range of health and wellbeing issues across all age groups in the community. Central and Local Government cannot make ends meet and if we had not stepped up our own residents would suffer. The Parish Council's initiatives have been recognised as examples of the very best practice.

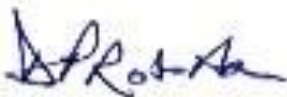

Speakers from The League of Friends, St Margaret's Hospice, Community Catalysts and SomersetSPARK will lay out the situation in Somerset and how South Petherton is responding.

A number of the recently appointed local health and care workers will be at the meeting and there will be opportunity for questions and for arranging one on one discussions
