Public Session

Mrs F James

Concerns raised regarding the amount of traffic wardens currently working within South Petherton and that this excessive patrol may be detrimental to our traders.

Mr P Kidner

Confirmed first of two cuts of footpaths had begun, with recent downpour causing major growth and therefore issues. Concerns over the Whitfield Lane soakaway.

Mr A Dance

Gave information and confirmed details about

- the parking fines recently handed out in the village
- Library consultation – still time before end of consultation to make comments
- The change to the South Petherton ward

Mr D Palmer

Gave an update on Youth centre and the projects – currently going well. DofE projects to be held in the summer, and 2 students have the opportunity to take a trip to Thailand so will be fundraising.

Daytime Youth provision – Dan will hold a Thursday drop in so anyone with any concerns can call in and see him, or indeed just to see what the young people are involved in. All welcome.

The Chair thanked all contributors.
